Dr. Charles S. Stevens is nationally board-certified in dermatology and in dermatopathology. Dr. Stevens' medical education credentials are impressive, having earned a medical degree (M.D.) from the University of Texas School of Medicine, San Antonio, TX. Since then, Dr. Stevens successfully completed: a one-year internship in internal medicine at the University of Texas School of Medicine/Audie L. Murphy Veterans Hospital, San Antonio, TX; a three-year residency in dermatology (one year as Chief Resident) at the University of Texas Health Science Center/Audie L. Murphy Veterans Hospital, San Antonio, TX; and a 15 month fellowship in dermatopathology with Dr. A.B. Acherman at the New York University Langone Medical Center, New York City, NY. It should be noted that Dr. Stevens was selected for membership in the Alpha Omega Alpha Honor Medical Society while attending medical school, an honor of great distinction.

Dr. Stevens has served in a series of key positions, as exemplified by the following:

- Nuclear physicist, General Dynamics Corporation, Fort Worth, TX (1965-68).
- Clinical faculty member (Dermatology), University of Texas Health Science Center, San Antonio, TX (1982-92).
- Clinical faculty member (Pathology), University of Texas Health Science Center, San Antonio, TX (1984-92).
