

Aurora Diagnostics South Texas Dermatopathology is privileged to include Patty Miller as a member of its medical staff. Dr. Miller is nationally board certified in dermatopathology and dermatology by the American Board of Dermatology. Having earned her medical degree from Wake Forest University School of Medicine, Dr. Miller then completed her intern year at Wake Forest Baptist Health followed by a three year residency in dermatology from the University of Texas Health Science Center in San Antonio, TX. Dr. Miller completed her one-year fellowship in dermatopathology at Dartmouth Hitchcock Medical Center in Lebanon, NH. Dr. Miller has coauthored numerous dermatology and dermatopathology related articles that were subsequently published in some of our more prestigious scientific journals. (See the reverse side of this CV for a sampling of her published works.)
